

DOWN PAYMENT ASSISTANCE PROGRAM

Offered in the Municipality of Anchorage
Mat-Su Borough and the Kenai-Peninsula Borough

What is Down Payment Assistance Program?

The Down Payment Assistance Program (DPA) provides assistance for home buyers who are purchasing a single family home in the Anchorage Borough, Kenai Peninsula Borough or the Matanuska-Susitna Borough. Applicants using this product will be expected to occupy the home as their primary residence.

The DPA is designed to increase home ownership and affordable housing opportunities primarily for eligible applicants in the Cook Inlet Region area. A benefit of this loan product combined with a first mortgage loan is the potential to avoid monthly mortgage insurance which lowers the borrower's overall housing payment. This benefit helps our families save money and have increased buying power.

Loan amounts for the DPA vary and may not exceed 20% of the purchase price with a **maximum of \$60,000**. This loan is considered a second mortgage so applicants will also need to meet first mortgage loan-to-value (LTV) requirements from their primary lender.

Program Overview:

- Cook Inlet Lending Center, Inc. is a certified Community Development Finance Institution (CDFI) therefore the Down Payment Assistance Program is for low to moderate income borrowers.
- Provides assistance to eligible applicants as they finance a home in the Municipality of Anchorage, Kenai-Peninsula Borough and the Matanuska-Susitna Valley.

What kinds of properties are eligible for purchase?

- Single family properties (detached homes, condos, townhouses, PUDs) located in the CIRI foot print. Purchaser must occupy the property as their primary residence.

Eligible Participants are:

- Purchasers who generally do not own other residential real estate. (Need not be first time homebuyers)
- Purchasers whose liquid assets do not exceed \$20,000 at the time of closing. **If the total liquid assets owned or controlled by any adult living in the property exceeding \$20,000, CILC loan amount will be reduced by the amount over \$20,000.**
- Purchasers who have saved 2 months of reserves of Principal, Interest, Taxes and Insurance (PITI) including first and Second Mortgages **at application date.**
- Purchasers who have a minimum credit score of 640.
- Purchasers who have not had a foreclosure or bankruptcy in the past six (6) years.
